POLICE RECORD CHECK

In accordance with HUD Rules and Regulations all applicants will be screened before a determination can be made concerning their eligibility for assisted housing.

A history of the following prohibited activities may exclude the applicant from receiving housing: Criminal activity, feuding, social problems, patterns of violent behavior, vandalism or destruction of property, drug-related activity, alcohol abuse, rape or sexual deviation, and threats against others.

I hereby grant my permission for the local and state law enforcement agencies to search their records and the records of any other law enforcement agency for records of myself and the members of my household as listed on my application for housing with the Goodland Housing Authority, and to provide any information contained therein about the above prohibited activities to the Housing Authority. This information is to be used solely to determine eligibility for assisted housing and shall not be disclosed or released outside of the Housing Authority, except as permitted or required by law.
